COLORADO ONCOLOGY SOCIETY

WHY JOIN COS?

Our mission is to promote the highest professional standards of oncology in Colorado.

How do we do this?

We advocate for every member in Colorado through our key partnerships to ensure you'll stay informed on key oncology policies, take action on state and federal issues, and help shape advocacy efforts that impact patient care.

We connect cancer centers members with local partners and industry leaders to strengthen your practice and advance oncology care.

We educate our members through our in-person events that provide valuable resources, learning, and networking opportunities.

How to be involved?

- Join our Policy Committee to help advocate for issues within the state
- Join us at an upcoming in-person meeting here: COS Upcoming Events
- Join our paid Focus Groups where we provided resources for COS Members
- Contact Brandon Lawrence, COS Executive Director, at blawrence@cos-oncology.org

Who can become a member?

Membership is open to all oncology practices and universities, as well as individual physicians, allied health professionals, fellows, and retired professionals practicing in Colorado.
